

Verbs and Nouns beginning with hamzah al-wasl at the beginning of an aayah or after stop marks in the Medina Printing Complex copy of the Qur'an

Prepared by abouttajweed staff

Not included in this list are words starting with hamzah al-wasl followed by the definite article laam of the alif laam ta'reef, "ال" التعريف, due to the high volume of these in the Qur'an and the familiarity that they all begin with a fath (فتح), such as in these few examples:

الرَّحْمَنِ، الرَّحِيمِ، السَّمَاءِ، الْأَرْضِ، الَّذِينَ، اللَّهُ،

This list is not every verb and noun starting with a hamzah al-wasl in the Glorious Qur'an, but it contains the verbs and nouns starting with hamzah al-wasl after at the beginning of an aayah or after a marked stop in the Medinah Printing Complex copy of the Qur'an. Any brother or sister who finds a verb or noun starting with hamzah al-wasl after a marked stop in the Medinah Printing Complex copy of the Qur'an and not included in this list, please forward us the word, surah name, and aayah number so that we may update this list. It is possible we missed some words.
